Subject: FW: Niagara Falls Boulevard Overtime Comp Request Pay Period 12

Eric M had approved this on May 12, then Eric D shifted the start of work until May 31 instead of May 24

Subject: Niagara Falls Boulevard Overtime Comp Request Pay Period 12
Importance: High

Good Afternoon:

I have to plan as if I will receive a verbal this week or early next week for mobilization at Niagara Falls Boulevard Site. Below is the anticipated overtime based on the schedule I have worked out with property owners, operators and contractors.

-

Travel Date Range: 05/23/2016 through 05/28/2016 (Pay Period 12)

Overtime Hours Requested:

05/24/16 through 05/27/16: Estimated **2 hours** per day (8 hours OT)

05/28/16: Estimated **10 hours** (10 hours OT)

Total Overtime Hours Requested: 18 Hours

Justification:

OSC Daly will be traveling on 05/23/2016 via GOV to Niagara Falls, NY for Niagara Falls Boulevard Site to oversee brush/tree removal, gamma survey assessment, staging of work trailers, electrical hook up, construction of

interior storage space within Greater Niagara Building Center (GNBC) structure, demolition of non-load bearing walls within designated areas within GNBC structure, demolition, removal and staging of concrete flooring of designated areas within GNBC structure, eventual removal and staging of contaminated material beneath original concrete flooring of designated areas within GNBC structure. In order to maximize travel time, resources, EPA funding, property owner scheduling and contractor scheduling, all this work will be conducted continuously within a three week period. It will require at least Ten-10 hour work days to complete this work. Work is necessary to be performed on Saturday, May 28th in order to be prepared for planned concrete jackhammering on Sunday May 29th. GNBC is closed on Sunday which will allow for the noise and prevent disruption to the operators and patrons on the other six days of the week.

Return travel is planned for June 10, 2016.

Regards,

Eric
